

## Making our Community a Better Place

The four Racine area charities chosen to be the beneficiaries of Financial Service Group's *Client Referral Program* all provide critical support to our communities through education, health care, peer support and/or philanthropic funding. When a friend, family member, or colleague you referred comes in for an initial consultation (no charge), we will donate \$100 in your name to the Health Care Network, Hospice Alliance, River Bend Nature Center, Veterans Outreach of Wisconsin or to a charity of your choice.
