

Making our Community a Better Place

The charities chosen for Financial Service Group's *Client Referral Program* all provide critical support to our communities through education, health care, housing, and/or other vital services. When a friend, family member, or colleague you referred comes in for an initial consultation (no charge), we will donate \$100 in your name to one of the charities below or to a charity of your choice.

Health Care Network, Inc.

www.healthcarenetwork.org
