

FSG Client Showcase Series

Participant Information

Thanks for considering participating in the **FSG Client Showcase Series**. These informal events are an opportunity for our great community of highly talented and interesting people to come together in small groups to share their creative energy with others in an environment of encouragement and gratitude.

If you'd like to participate, please email Katie@ToYourWealth.com with the following information:

- Name, phone # for contact, email address
- What will you be sharing?
- Will you be selling? Y/N/Not sure?
- Do you need A/V equipment?
- Do you need a power supply to your table?

Here's what you need to know

- We'll supply a 6' draped table for displaying your items. If you don't need the whole table, that's ok, you can share space with another fun and friendly member of the FSG family!
- Depending on weather conditions, we may have tables set up on the deck, in the lobby, or in the yard. The setting will be casual, comfortable, intimate, and informal.
- We'll have snacks and drinks available for participants and attendees.
- You can bring as many or as few samples of your work as you like. If the theme is a discussion or demonstration topic, you may want to bring some visuals to share with attendees (we can help with slides and AV if you need).
- If the theme is a hands-on/interactive theme, you will bring sufficient supplies for attendees who want to try their hand under your guidance.

- While you're welcome to sell your work if you wish, it is not the specific intent of the events (unless that is an identified theme of a certain event eg: Mini-craft fair). You are free to share your contact information, take orders, etc. if you wish. If you prefer to simply display and share your items for others to enjoy and learn about, that's wonderful too. No pressure to sell or to buy!
- Participant arrival and set-up is 2:30 p.m. Attendees are invited to come in an open-house format between 3 p.m. to 6 p.m. (times may be adjusted as we learn more!)
- You may invite your friends, family, and guests.

Let Katie know if you have any other questions or concerns.
