

## Making our Community a Better Place

Financial Service Group's *Client Referral Program* supports charities that provide vital services in our communities, including education, healthcare, housing, and more. When you refer a friend, family member, or colleague who comes in for a complimentary initial consultation (no charge), we'll donate \$100 in your name. You can choose one of the featured charities below or select one that is meaningful to you. It's our way of saying thank you while giving back to causes that matter.
